

ez cd audio converter ultimate 6.0.0.1 portable - [sh] [rus] (by ez cd audio converter ultimate) - portable program for converting audio files from one format to another. Supports work with almost all known formats. First of all, of course, these are mp3 and wave files, but it is also possible to transcode wma to mp3, and wav to mp3. There is a built-in spectrum analyzer that displays the recorded sound on the screen (absolute frequencies, relative velocities and waveforms can be seen).
